It's funny, petty, angry, and weirdly hopeful. I bought a bunch and left them at bus stops, and I'd do it again.1 of 4 people found the following review helpful. Short and AmateurishBy Bill KingLet's just say classes in journalism, grammar, logic, and especially marketing would be a worthwhile investment for Mr. Radford to consider. Remember when we elected a sexist, racist, crude, mean, inept, KKK-supported, fake-wealthy, sexual harassing, sexual assaulting, tiny-handed, thin-skinned, sad, lonely bully as the president of the United States? Donald Trump is a Loser is a souvenir from the devastating 2016 election. It's history told through word art, fiction, news clippings, art and collage. It's a reminder of how we let a clown into office, and as well as a guidebook on how to prevent it from happening again.
