John Poch, Chad Davidson : Hockey Haiku: The Essential Collection before purchasing it in order to gage whether or not it would be worth my time, and all praised Hockey Haiku: The Essential Collection:

0 of 0 people found the following review helpful. Loved this bookBy Wayne WesterGreat book, great poet!! If your a hockey fan this book is for you. Very clever! Who comes up with this stuff?? John Poch does!5 of 7 people found the following review helpful. The difinitive work on hockey heilgeschichteBy Dale L. SmithNo one, at least not anyone with half the wits of the most brilliant of the Winnipeg school, doubts the importance and influence of hockey Haiku in understanding and articulating the ontological and epistemological etiology and development of what we know as

modern hockey. However, until now the history of this development has been a subject of mere conjecture. In this groundbreaking, epic work Poch and Davidson trace this development and its expression in Haiku verse and history from its vestigial beginnings to the modern day. No one who wishes to grasp the depth and breadth of what hockey is about can afford to neglect this book. Defining. Definitive. Comprehensive. Compelling. One might expect a rejoinder on these pages from the Winnipeg school, but as this is a book of words and not pictures it will be rendered, necessarily, incomprehensible to them. So, don't hold your breath. Just buy the book. 0 of 0 people found the following review helpful. Gift for a hockey fan By Ania Excellent gift for a hockey fan with a sense of humor, nice to use as a coffee table book since it is so unique.

The greatest collection of hockey-related poetry this or any house has ever published, and a watershed moment in American letters. Hockey haiku is the most rarefied of the haiku genres, and it represents the perfect union of graceful brutality, ordered chaos, and the blood that courses through our veins...and onto the ice. Hockey Haiku: The Essential Collection is full of poems that embody to perfection hockey's unique harmony of beauty and violence. For example: Zamboni bumper: Don't laugh---It crushed the leg of the Little Leaguer.

"Irreverent. Nevertheless, essential."--Doug Halcomb, Hockey Ministries International
