Being a hockey Mom myself, this book emphasizes the fact that hockey Moms (and players) are of a different breed and soccer Moms just don't get us. You'll literally laugh out loud and will want to make sure every one of your fellow hockey Moms has a copy for themselves. Thank you Jody for a fabulous book! 0 of 0 people found the following review helpful. Spot on! By Robert B. Jordan My daughter is a hockey mom - good laughs from this book! 0 of 0 people found the following review helpful. Four Stars By John Chubb Very funny and revealing.

Hockey Moms... if we can't laugh at ourselves, who can we laugh at? (Besides Soccer Moms!) This funny book pays tribute to Hockey Moms everywhere with hilarious illustrations, jokes and stories - including short funny stories from Hockey Moms and hockey greats, like Mike Eruzione! Finally, a hockey book that gives us the credit we deserve! (Well, okay, our kids deserve a little credit, too.)

This is one of those books where you...pick it up again and read it again and again. Beneath the quips and jokes and banter is the truth of the Hockey Mom. We get to the rink for practice or games because Hockey Mom is there every step of the way. So, if you are looking for a great read as the summer begins to edge to fall, pick up a copy of Hockey Moms Aren't Crazy. --Lou Lafrado, Pro Hockey News
