Corey Deitz : Holy Shmit! before purchasing it in order to gage whether or not it would be worth my time, and all praised Holy Shmit!:

1 of 1 people found the following review helpful. Pretty SillyBy Melissa McCauleyDisclaimer: I ADORE Corey Dietz -he is my favorite radio personality, so I'm giving this book one star more than it deserves and you should take my review with a grain of salt. I've read a couple of Dietz's non-fiction books, The Radio Ate My Brain! and The Cash Cage and frankly, I enjoyed them more and think he should stick with non-fiction.Was that too harsh? I don't want to

be a jerk, but there is practically no character development... Father Franklin Ulysses (F.U.) Shmit is a collection of smart remarks, bad puns and one-liners. The multi-media aspect of the book is interesting, I enjoyed the pictures and video links. But the celebrity jokes are already dated. Sorry Corey! 1 of 1 people found the following review helpful. Well Written By Joyce Metzger If you revel in satire, this tongue-in-the-cheek irreverence will pose answers before questions arise to form. Our unquestionable faith in religious dogma is the prime focus. Every force fed catechism, every concept indoctrinated at mother's knee has become the fodder fuel to light the bonfire imagination. Corey Deitz presents a well written, well thought-out sceptics view of stringent religious beliefs. His humorous approach is underlined by a firm orthodox educational background. I have enjoyed Corey's scepticism that clothes his deep introspection in the innocuous protective armor of humor. This was well written. It flows easily. Well done. I will look for more. 0 of 0 people found the following review helpful. More Please By Pappa Place Please write more adventures with Father Shmit. This was a great book and was very very funny. I really enjoyed reading this book. Corey Deitz is very funny and I will read more books by him. David Papa Place

Holy Shmit! is a funny, irreverent, and surprisingly sweet story infused with a heavy dose of technology and celebrities. The plot is so inventive and out-of-the-box different, it is sure to please millions of readers and offend millions more! This is one story that will be applauded and condemned at the same time - and only you can decide which side you're on. We all take for granted that the world we wake up to each day will pretty much go on as scheduled. The sun will rise, the traffic will be heavy, your boss will continue to be a jerk, and your home won't be the center for the most dangerous demonic possession ever to occur in the Universe. Until now. Everything as we know it does hang in the balance because God, the Universe's Master Programmer, has finally been compromised by Satan. The Vatican knows of only one man who is possibly up-to-snuff for this job: a priest from Columbus, Ohio afflicted with Tourette's Syndrome named Father Shmit. And Father Shmit knows of only one other man who can help him in his quest: a nerdy computer geek by the name Fire Fox. Holy Shmit! is a fictional romp that scrutinizes the state of religion, believers, and even atheists while advocating in the strongest spiritual sense that God is real and working overtime to keep the Universe from collapsing into itself like a cheap snack table. Holy Shmit! is also a multimedia read. There is a companion website with additional audio, video, and graphics which can be accessed with the correct password in the book. These materials are part of the main story and provide backstories and supporting "evidence" which tend to blur the lines of reality and fiction quite a bit. This is more than a fun read: it's an experience! Once you have the password you can explore the evidence separately at the website (www.holyshmit.com) or use the hyperlinks built into the book to read, view, or hear the additional graphic, audio, and video content written by the author and provided by a cast of actors and artists.

About the Author Corey Deitz has done radio shows in some of the USA's greatest markets including Chicago, St. Louis, Cleveland, Columbus, Toledo, Richmond, Virginia Beach and Little Rock. Deitz was nominated in 2008 for a prestigious Radio industry Marconi Award in the category of "Medium Market Personality of the Year". He also writes books. This is his sixth.
