So funny, whimsical and heart-warming--even for adults By justmeI caught several Calvin and Hobbes books "Daily Deals" the other day and I'm so glad I splurged and got them for myself. I laughed more reading this book than I've laughed in a long, long time. I love how it's easy to zoom in and out as needed, and slide the panels along. I thank the publisher for formatting that way from the bottom of my warm little heart, I bought myself a comic from one of the big names in publishing and couldn't do that with their book. :(My vision isn't perfect, so being able to zoom in and navigate is a pleasure (I use an older Kindle 7" HDX). I do wish there was a way to bookmark favorite panels to revisit later, though. I'm very happy with this purchase. I enjoyed every minute with Calvin and Hobbes. I'm sure I'll enjoy the other books just as much. I love Calvin and Hobbes. :) 1 of 1 people found the following review helpful. Picking a favorite is delightfully impossible. By ipaintcats This collection is a joy to read using the free Kindle app on my Xoom tablet and my Chromebook. However, my KindleDX (one of the early e-ink models) can't display this book due to all the graphics. The full-color Sunday strips are bright and colorful, and the dailies appear two at a time in landscape view. This one has lots of Hobbes, plus bits of everything I loved best. Enjoying them over and over will simply never get old. 0 of 0 people found the following review helpful. Great addition to a Calvin and Hobbes collection By vanessa a. The book arrived today. I had purchased it add to my Calvin and Hobbes book collection. This book didn't disappoint. It had a number of comics i had been looking for. I liked this book because it offered a mix of black and white comics and colored ones. This book offers a variety of Calvin and Hobbes comics through the years. I was very happy with my purchase.

Calvin and Hobbes are at it again, and this time, our irrepressible friends are taking a walk on the wild side. Homicidal Psycho Jungle Cat chronicles another segment of the multifarious adventures of this wild child and his faithful, but

skeptical, friend. If the best cartoons compel readers to identify themselves within the funny frames, then all who enjoy Calvin and Hobbes are creative, imaginative, and ... bad, bad, bad! Calvin, the irascible little boy with the stuffed tiger who comes to life are a pair bound for trouble. Boring school lessons become occasions for death-defying alien air battles, speeding snow sled descents elicit philosophical discussions on the meaning of life, and Hobbe's natural inclination to pounce on his little friend wreaks havoc on Calvin's sense of security. Calvin's the kid we all wish we'd been. Sassy, imaginative, far more verbal than his parents can manage, Calvin is the quintessential bad boy -- and the boy we love to see. He terrorizes little Susie, offers "Candid Opinions" from a neighborhood stand, and questions his parents' authority. "What assurance do I have that your parenting isn't screwing me up?" he demands. Calvin and Hobbes manages to say what needs to be said about childhood and life: "Eww, mud," says Calvin. "Look at this gooshy, dirty, slimy, thick, wet mud ... Bleeecch ... Talk about a kid magnet!"
