Sandra Stack : Hopeful Gardens before purchasing it in order to gage whether or not it would be worth my time, and all praised Hopeful Gardens:

Hopeful Gardens is an extremely humorous, bizarre voyage into the concealed world of a nursing home! It is the real nursing home story, written and illustrated by Sandra Stack, BSN, RN. The incidents in this book occurred over seven

years ago. No staff member remains employed by Hopeful Gardens at this time. All involved residents have since passed; any resemblance to a living person is purely coincidental.

About the Author Sandra (Baker) Stack was born on October 4, 1958, in Braintree, Massachusetts, a small quiet town south of Boston. She attended the University of Massachusetts-Boston and received a Bachelor's Degree in Science and Nursing and was inducted into Sigma Theta
