Jan King : Hormones from Hell: The Ultimate Womens Humor Book before purchasing it in order to gage whether or not it would be worth my time, and all praised Hormones from Hell: The Ultimate Womens Humor Book:

0 of 0 people found the following review helpful. Huge DisappointmentBy AnnieDetroitEven though I had heard the old saying "You Can't Judge a Book By Its Cover," the cover art on this book was so cute I had high hopes for this little book -also I love irreverent humour and the title seemed to promise this. However, aside from an especially

clever man joke 91% through the book, I was disappointed that the rest of the text was a collection of PMS, period, sex and pregnancy jokes so old I think they were originally published in Aramaic. 0 of 0 people found the following review helpful. **Revealing Book (for Men)** By Michael L. Barrett An interesting and informative book for men, telling things about women that maybe we guys don't want to know. The discussion about sex after 40 is in definite contrast with Dr. Dorree Lynn's book "Sex for Grownups", which approaches the subject optimistically but maybe not realistically. It's worthwhile looking at this issue from both perspectives, both mental and physical. 0 of 0 people found the following review helpful. Every postmenopausal woman needs to read this book. By Bettie 7752I gave this book five stars because it is the kind of lighthearted fun that every woman needs, especially on really gloomy days. Even the cover makes me smile.

FINALLY GALS, THE STRAIGHT SCOOP ON EVERY FEMALE TOPIUC for ALL WOMEN FROM PUBERTY THROUGH MENOPAUSE for THE MEN WHO ARE TRYING TO UNDERSTAND US and especially for ANY WOMAN WHO... - has been told that natural childbirth is a 'beautiful experience' not to be missed - needs to shave before putting on her makeup. - insists she's getting her breasts enlarged only to 'please herself' -believes sex gets better after 40. - has been told that a diaphragm is quick and easy to use. -has heard from O.B./GYNs that their exams 'won't hurt a bit' -is contemplating picking up a guy in a bar, in this decade. - needs bell bottom pantyhose in the second week of pregnancy. - suffers from PMS - 30 days a month ! 108 BOOKS PER CARTON
