Audrey Khuner, Carolyn Newman : Hot Guys and Baby Animals before purchasing it in order to gauge whether or not it would be worth my time, and all praised Hot Guys and Baby Animals:

By Kelela My daughter purchased this for her boyfriend's birthday, and substituted her lovely face in the photos (male ones not animals). Came out looking really cute, as she made different faces. As an addendum, she broke up with her boyfriend about 3 weeks later, they have however, remained friends..... 1 of 1 people found the following review helpful. Sometimes Attractive Guys With Big Muscles and Baby Animals By Brenna I am a lesbian, but I bought this as my "roommate calendar" because it is hilarious, and all of my houseguests get a kick out of it. Pretty straightforward calendar - "hot" guys and baby animals. It's mostly just puppies and kitties, though there is one baby goat. I'd like to see a more well-rounded animal base next time. Despite my general lack of attraction towards men, I remain skeptical that some of the dudes are what anyone would consider "hot" - beauty is more than just big pecs, y'know. But all in all, it has really jazzed up my kitchen, so I'm happy. 3 of 3 people found the following review helpful. Wow, a year of this on the wall would do me fine. By Seeker moon I buy my grown children a calendar every year and write all anniversaries, birthdays, etc. in them. July is so hot that I almost wanted to write everything in that month alone lol! Quality paper, squares large enough for writing in, and did I say hot guys!

The answer to Porn for Women, this collection of 38 photographs of hot guys holding baby animals will have you laughing—both at the humorous pairings and at the brilliant simplicity of the idea. Are you sick and tired of studly male models showing off their perfectly sculpted muscles? Have you had enough of cuddly baby animals flaunting their perfect newborn fuzzy cuteness? We didn't think so. Shirtless guys and puppy dog eyes take over with this collection of Hot Guys and Baby Animals by Audrey Khuner and Carolyn Newman. Hot Guys and Baby Animals features photos of gorgeous guys and their fuzzy friends, along with tongue-in-cheek captions detailing the likes and dislikes of each guy and baby animal. Let the "ohs" and "ahs" begin as male models play with puppies, snuggle kittens, nuzzle lambs, and even coo at a few chicks (baby chickens, that is). Perhaps the Sundance Channel says it best

in its review of the California calendar that started it all: "Hot guys + baby animals = genius."
