Audrey Khuner, Carolyn Newman : Hot Guys and Kittens before purchasing it in order to gauge whether or not it would be worth my time, and all praised Hot Guys and Kittens:

Not very impressed By Kelsey I give it 3 stars because of the adorable kittens, but you can tell the author/photographer definitely did not have the money to hire actually attractive men to pose. There is like one hot guy in this entire book. If you love kittens and hot guys, then buy a kitten calendar and watch a Chris Hemsworth movie. 1 of 2 people found the following review helpful. Great eye candy. By Customer Great photos.

?The hot guys are back--and this time they're showing their softer (or, you might say, furrier) side! Based on the runaway hit Hot Guys and Baby Animals, Hot Guys and Kittens features sexy male models cuddling up to some seriously cute kittens. ?The pictures are paired with tongue-in-cheek captions showcasing the likes and dislikes of both the man and the kitten. Like the guys themselves, this book is the perfect combination of cute, sexy, and funny. You'll find yourself saying "ooh" and "aw" at the same time!
