It's hard to ignore a classic hot rod. Both men and women alike admire these automotive masterpieces. It doesn't matter if they are parked on the side of a street or racing down the blacktop. Hot rods are always going to grab everyone's attention. Now you can enjoy coloring 20 awesome hot rods. Each vehicle has been meticulously hand

drawn by Jordan Biggio, automotive enthusiast and illustrator. Designed to appeal to car lovers of all ages. Beginners will love the large open spaces giving them plenty of area to lay down solid colors. No artistic skill is required in order to make a jaw dropping masterpiece. Advanced colorists will enjoy using the line art to apply shading techniques that make the hot rods come to life. As a bonus each hot rod design is printed twice in this book. Not only does this give you the opportunity to color each vehicle twice, it also gives you a clean slate in case you make a mistake! It is like having two copies of the same book. As a second bonus, both the front and back cover are printed with a matte finish. This means you can color them too! Enjoy these jaw dropping hot rods, from the massive engine blocks to the road hugging tires. Each hot rod is printed on one side of 60 lb pure white paper to minimize scoring and bleed-through. We suggest using crayons and high quality colored pencils for the best results. Markers and gel pens work as well, but we suggest placing a piece of scratch paper between the pages to prevent the excessive bleed-through these coloring mediums are known for. Please note the pages in this adult coloring book are not perforated. "I have always loved the sleek curves of the automotive world. From the classic look of a 1958 Plymouth Fury to the ground shaking V8 power of the Pontiac Firebird and everything in between. I have yet to see an automobile that I don't admire. I have been sketching cars since I was a young boy and now my sketches give you the awesome ability to color the front bumper, rear bumper and everything in between." What are you waiting for? Get a copy today and start coloring in these awesome hot rods!
