Sharon O'Donnell : House of Testosterone: One Mom's Survival in a Household of Males before purchasing it in order to gauge whether or not it would be worth my time, and all praised House of Testosterone: One Mom's Survival in a Household of Males:

0 of 0 people found the following review helpful. Good and written well memoirs, but not much of practical use for parents By Arkansas Traveler I bought this book in anticipation of some hints and tips for raising boys. Frankly

speaking, I have not gotten any of that. Yes, cleaning, language, anatomy and many other issues I experience same way as Sharon, but what about hints and tips to fight those efficiently? It is all description/memoir writing, although, very humorous, and enjoyable to read on its own. As much as I am sympathetic to the author, being myself the only female in four males household, I can not give much credit to this book. The best use I have gotten from it, unexpectedly, was the clear understanding how good my spouse is for me, and how much respect and comfort I have in my marriage, if to compare to author's one. 0 of 0 people found the following review helpful. It mimics my life By D Stone Love this book. I bought extra to give to pregnant friends and coworkers that are having boys 0 of 0 people found the following review helpful. THIS BOOK IS WONDERFUL HILARIOUS STORY ABOUT HAVING ALL BOYS AND SO TRUE TO LIFE FUNNY FUNNY FUNNY I LOVED IT .By VALERE TOWNSENDHOUSE OF TESTOSTERONE IS GREAT HILARIOUS AND CUTE I LOVE BOOK ABOUT FAMILIES OF EITHER ALL GIRLS OR ALL BOYS. I HAVE READ SOME GREAT BOOKS AND THIS ONE OF THE FUNNIEST ONES THAT READ READ IT SMILE ALL THE WAY THROUGH.BUY IT YOU WILL LOVE IT.

Every woman has asked herself the question What was he thinking? at least once in her life. When you are the mother of boys, it seems like this question is on a continuous tape loop in your head. Humor columnist Sharon O'Donnell knows this feeling. In *House of Testosterone*, she chronicles her adventures raising three sons and reining in her über-male, forgetful husband, Kevin. She shares her stories of welcoming her third son into the world, resisting the gravitational pull of the "guy zone," and running a household immersed in a world of sports, bathroom humor, and laundry. O'Donnell's spirit shines through as she struggles to find some "me time" or survive another comical family vacation. These entertaining episodes of child- (and husband-) rearing lovingly illustrate why Sharon calls herself "Lady of the House of Testosterone."

"A witty, intelligent primer on how to survive and succeed in a houseful of male hormones." -- Missy Chase Lapine
