**Chase Untermeyer : How Important People Act: Behaving Yourself in Public** before purchasing it in order to gauge whether or not it would be worth my time, and all praised How Important People Act: Behaving Yourself in Public:

0 of 0 people found the following review helpful. ... Untermeyer on a cruise ship and I very much enjoyed his

speechBy DeannaI met Mr Untermeyer on a cruise ship and I very much enjoyed his speech. I've really appreciated this little book which is full of important but rarely talked about social behaviors in important circles. Simple things such as which shoulder to put a name tag and how high it should be placed seem like menial things, but now that I understand, it really does make a difference. I've given a copy of this book to my smart nephew, who rubs shoulders with big business people on the golf course, absorbing behaviors, attitudes, and ideas. Learned social sense can go a long way!1 of 1 people found the following review helpful. A good book, although not great.By Paul E. Very thin book. Lots of common sense but do not expect any groundbreaking science here.2 of 3 people found the following review helpful. Five StarsBy Ann CurrensVery helpful plus interesting anecdotal stories.

Houston, Texas: You may not be a VIP like a United States senator or a governor or a CEO, and you may not even be a school board member or run your own small business. But anyone can become an Important Person, sometimes suddenly. And when this happens, you need to know that different behavior is expected from you than from everyone else. As an Important Person, you don't just have a job to do; you also have a role to perform. It is a role that requires you to be composed, comfortable, confident, and considerate. It is not a role in which to be snooty or tyrannical. Chapters such as Looking Good, Making An Appearance and Not a Spectacle, Converse or Worse, Ceremonies and Solemnities, Dealing with the Press Without Distress, Important Abroad, and more will assure that no matter how those around you may be behaving you will be playing the role of Important Person to perfection, even if it is brand-new to you."

About the AuthorChase Untermeyer has been an Important Person many times and at many levels. Now a businessman, he was a state legislator and port commissioner in Texas; an assistant secretary of the Navy in the Pentagon; a senior aide to the first President Bush; director of the Voice of America; and United States ambassador to Qatar. For more about the author, as well updates on how to behave yourself, please visit [untermeyer.com](http://untermeyer.com).
