Are you making a significant contribution to society? On the verge of finding a cure for something? About to close a big deal? Writing the songs that make the world go around? Are you, then, too busy to be bothered by jury duty? But you don't know how to get out of it gracefully? Don't despair. This Book Is For You!I speak from experience. I'm a big wheel too. Unfortunately, I didn't realize it at the time. I served. But just like Dean and Ehrlichman and all those others who write books about the mistakes they make so you can profit from them, I want you to profit from me. Besides, just like Dean and Ehrlichman, I want to profit a little from you too.Oh, don't worry. You'll get your money's worth. Actually, this book should be required reading. It not only tells you how to avoid jury duty, it tells you why it is your civic responsibility to do so. So you can see this is more than a simple "how to" book. This is as philosophical book as well.Now then, lets get down to business. I'll be quick and to the point because I realize you're much too occupied to spend a lot of time reading this. But even more importantly. I realize as well that you never know when you mght be called.--- from book's Introduction
