She approaches decorating your house and garden from many different creative angles. There's the Dream House, the Russian Kitchen, the Singing Garden, and some fun Hurricane Activities. I especially loved the little extras I was surprised by when going through this book. Nope, not gonna spoil the surprise! Aside from the little extras there are recipes for apple pie, and pancakes, and lots of drawing lessons. Joy has made it SO easy to learn to draw. Thank you Joy! I know you are in heaven, so I'm believing you heard me. 0 of 0 people found the following review helpful. great book for kids and adults By Tonya C If you are just learning to draw this book is amazing, lots of interesting facts all through book, great book 0 of 0 people found the following review helpful. Cute drawings for arts and crafts By Lady Marie I use it in my art classes to show students that can draw to encourage them to do other things afterwards.

The outrageous sequel to the best-selling *How to Draw a Radish* (55,000 sold!), Joy Sikorski's newest is the perfect stay-at-home passport to fun. Turning her curious creativity to the fertile territory of home and garden, Joy offers a host of essential crafts and useful suggestions: how to turn an overgrown lawn into a mystical maze, transform a dull cement sidewalk into a fancy brick path, make edible Louis XIV furniture, and much, much more. In between easy home improvement projects, readers can learn to draw an octopus, a rolling pin, a flying saucer, and a zigzag dog, in addition to other satisfying methods of amusing yourself chez vous. So toss those stuffy decorating manuals out the door! Don't pull up another weed! *How to Draw a Cup of Coffee* is the antidote to domestic productivity.

**About the Author** Joy Sikorski is a New York-based writer and illustrator whose major literary influences include Edward Lear's *Complete Book of Nonsense*, Dr. Seuss's *One Fish, Two Fish, Red Fish, Blue Fish*, and Herman Melville's *Moby Dick*.
