How to Get Away with Murder without Really Trying is a tongue in cheek self deprecating look at the woes of life, and how most of those can be turned into humorous success stories, or at least enjoyable miserable experiences. David Pessel, or Dopey Dave (his nom de plume), paints an occasionally funny, sometimes informative picture of the trials, tribulations and quixotic battles with children, industry and more. As his spouse puts it, the keys to success are perseverance, stubbornness and being a pest. Or simply lying back and enjoying the ride. As someone famous once said, "die young, just take a long time doing it."
