**David Whitmore : How To Get Even With Your Asshole Boss** before purchasing it in order to gage whether or not it would be worth my time, and all praised How To Get Even With Your Asshole Boss:

Finally a book for employees that provides powerful, foolproof ways to explicitly defeat the asshole boss in the workplace. This hilarious quick read is NOT a politically correct guide to managing poor behavior from superiors at

work. Instead it offers a refreshing and simple assortment of remedies meant to inflict confusion, embarrassment and humiliation on the asshole boss. Formatted in a level one to five rating system allows readers to choose how to take care of business based on the severity of the situation. Remember there is no cure or rehabilitation for an asshole boss – only revenge and retribution.
