Caroline Taggart : How to Greet the Queen: and Other Questions of Modern Etiquette before purchasing it in order to gage whether or not it would be worth my time, and all praised How to Greet the Queen: and Other Questions of Modern Etiquette:

6 of 6 people found the following review helpful. Good Book, Wrong TitleBy Elder PrepThe cover title is a little deceiving for this otherwise charming little book. The titles should be reversed, as its content is heavy on social etiquette and light on the social requisites on greeting the queen. The writing is "miss manners" like, full of the do's

and don't of many occasions and how to avoid the calamity of committing a class and invitation ending faux pas. My suggestion is to purchase Ms. Taggart's other little charmer, "Her Ladyships Guide to the British Season". It was this book I was looking for all things British.1 of 2 people found the following review helpful. You need to like or at least appreciate the British Monarchy to enjoy the book.By FussvillesueI purchased this book just for the fun of it and have enjoyed it immensely.0 of 3 people found the following review helpful. Awesome! Got it for my bossBy Leah R. CorwinAwesome! Got it for my boss! We lovingly call her our Queen! I told her now she could see if we were addressing her properly!

Practical and invaluable advice on every aspect of modern etiquette, both royal and everyday. The author, Her Ladyship, guides you through basic good manners in a range of situations, both formal and informal occasions, whether at home or at work or abroad. How to meet and greet The Queen and other royals and elegant ways of sitting down, standing up and getting in and out of cars. And how not to look as if you are bored to death.

About the AuthorCaroline Taggart has been an editor of nonfiction books for nearly 30 years. She is the author of Her Ladyship's Guide to Running One's Home, Her Ladyship's Guide to the Queen's English, andI Used to Know That: Stuff You Forgot from School.
