Stafford I should have known what this book would be like, as i really only bought it to get the recipes from Momma June. If you watch the series, you basically know the book. It doesn't give you anything you don't already know. Good ready for a teen, and the recipes are neat. If you can get it as a hand me down, that would be best. Not really worth paying for just for the recipes. 5 of 5 people found the following review helpful. Unusual and interesting family By Lulu I love Honey Boo

Boo and her whole family!!! Yes they are different and have their own ways but "Mama" June is really a smart woman. She has followed her heart all her life and has taken good care of all of her children. They are really a unique family and regardless of their crazy life style they love each other no matter what and that's important..God Bless them!3 of 3 people found the following review helpful. Great book!By nkgurcute book for anybody that loves honey boo boo. Also cute for anybody that just wants a nice fun read about a a hillbilly family that has lots of fun.we can actually learn a lot from the Thompsons as they have so much fun in love is the only thing that matters in their lives we could all learn a great deal from them. Highly recommended.

From the moment they met Alana Thompson, Americans from coast to coast fell under the spell of the pint-size pageant queen and her loud and proud family. Now, in this authorized guide infused with their down-to-earth redneck style, disarming humor, and homespun values, Mama, Sugar Bear, Honey Boo Boo, Pumpkin, Chickadee, and Chubbs show how you, too, can be a "redneckognized" Southern belle and an honorary member of the Shannon/Thompson clan. How to Honey Boo Boo features everything you need to know: Cookin ' Like Mama: Decorate, diet, barbecue, coupon, and cook like June with recipes for "sketti," roadkill BBQ, lemonade, "marannaise sammich," and more. Fun And Games: From the Redneck Games and June's famous mani-pedis to Christmas in July, relax redneck-style. How To Be A Beautimous Queen: Discover Honey Boo Boo's pageant secrets: makeup and fashion tips and advice on great costumes so you can be a supa star and rock dat stage! Everything But The Kitchen SinK: Hilarious tales, how-tos, DIY projects, and lists of things to do, plus behind-the-scenes stories, family photos, secrets of Glitzy the pampered pet pig, and more! Talk Like Hone Y Boo Boo: A Redneckopedia with essential vocabulary like "redneckognize," "vajiggle-jaggle," "old man glue," and more. Oh Yeah or No Way? Do you know a "forklift foot" from a "neck crust"? Test your Honey Boo Boo knowledge with fun quizzes on the Honey Boo Boo way of life.

About the Author Cheeta the Chimp was just a baby when he was snatched from the Liberian jungle in 1932 by the great animal importer Henry Trefflich. In 1934 Cheeta appeared in his first of many Tarzan movies, Tarzan and His Mate. Cheeta finally retired from the big screen after the 1967 film Doctor Dolittle. The oldest living chimpanzee ever recorded, Cheeta, now seventy-six, is retired in Palm Springs, where he has reinvented himself as a globally acclaimed abstract painter.
