**From Foley Aaron : How To Live In Detroit Without Being A Jackass** before purchasing it in order to gauge whether or not it would be worth my time, and all praised How To Live In Detroit Without Being A Jackass:

4 of 4 people found the following review helpful. DetroitBy MWay17A great book for Detroiters and non-Detroiters alike. It's entertaining, yet informational; funny, yet serious. Overall, it's a great read for anyone interested in Detroit a show it's gotten to where it is today.1 of 1 people found the following review helpful. Highly recommended!By Margaret KeckI did not expect this book to be so good. i expected it to be snarky, which it is, and informative, which it

also is. But I didn't expect the depth, the thoughtfulness, the pain and the love. In sharing his own experience of Detroit, Foley shows newcomers the value of paying as much attention to Detroit's people as they do to its real estate and arts scenes. 2 of 2 people found the following review helpful. Welcome to Detroit By Renee T. An eye-opening introduction to the current state of the Motor City. An enjoyable read for visitors and ex-pats.

A social guide to Detroit for all coastal transplants, wary suburbanites, die-hard natives, and everyone in between, this book will help readers avoid falling into the "jackass" trap and become a productive, healthy Detroiter. The book covers topics such as how to do business, how to drive, how to party, how to talk about the city, and how to buy and renovate a house. Also included are the seven rules for living in the Motor City, simple answers to difficult questions about the city, and a quick tour. Readers will not only be informed but they will also be laughing along the way.

“Aaron Foley possesses a preternatural ability to parse issues of race, class, urbanism, and pop culture in a complex and generous way that avoids tired orthodoxies and knee-jerk justifications but is always on the proper side of social justice.” –Vanity Fair
