Laugh: Discover How to Be Funny and Improve Your Sense of Humor:

One of the biggest misconceptions about being funny is that you are either a natural-born comedian or you can't tell a joke to save your life. The truth of the matter is that being funny is a talent, and like any other talent or skill, it can either be developed or neglected. Ask any stand-up comedian, and they'll likely have a story to tell you how their first few performances were absolute nightmares. They didn't know how to engage the audience, and they didn't yet have their timing and delivery all worked out. Even people who feel called to be funny, or who are perhaps naturally funny, still have much to learn about the nature of humor before it seems easy to them. In this book you'll learn the fundamental principles of good humor. You'll also learn how to summon the proper energy and charisma to keep people entertained and laughing. If you're ready to be the life of the party in a comfortable and easy way, then read on!
