Al Kelly : How to Make Your Life Easier at Work before purchasing it in order to gage whether or not it would be worth my time, and all praised How to Make Your Life Easier at Work:

0 of 0 people found the following review helpful. A Must-HaveBy Brigid CahalanI no longer have this book, as I gave it to a friend who really needed it, but it was my go-to book for several years, whenever I had a problem even remotely related to work. Al Kelly is a paragon of common sense, hit the nail on the head with the common problem areas he addresses, and shows a keen sense of humor while doing so.0 of 0 people found the following review helpful. Five StarsBy CustomerJust what I was looking for.
