Do and don't around them. It looks more like a sketch to the book, but full of good information. 1 of 1 people found the following review helpful. Fun, Insightful, Quick Read By Xochimilco, Esq. This is a fun, quick read with some nice insights. It's not a scientific study of the wealthy (e.g. The Millionaire Next Door), but a lighthearted set of practical tips (e.g. for women wanting to meet a wealthy man, spend some time in exclusive men's clothing stores). Makes a nice addition to the library of one who is looking to marry wealthy or for friends/relatives who are. 0 of 0 people found the following review helpful. Expected more, good book... By Customer Did offer some valuable tips although it's a short read i couldn't put the book down. Just got it today finished. Within two hours. I expected more but hey i do recommend you'll learn something....
