FUNNY... definitely not a how-to book, though!By FenimoreThis book has been around for a long time, but it is still one of the funniest books of "cat humor" that exists. Brock's humor is much more subtle and sophisticated than the macabre, gross, and obvious stuff of books like 101Uses For a Dead Cat. The book is especially hilarious now that pet massage has become a relatively mainstream part of many upscale veterinary practices. So, just to be totally clear, this is NOT an instruction book! It IS a humorous, tongue-in-cheek manual that would have CAT-astrophic effects if really used...0 of 0 people found the following review helpful. HilariousBy CrystalThis book is too funny! Being a cat owner, I am aware of how much they love to be stroked and petted. Trying one of these moves on a normal cat will cost you some flesh and blood! Truly a tongue-in-cheek read.0 of 0 people found the following review helpful. Five StarsBy stonecarver.comVery funny, cute book, love the illustrations.

As kitty gift books go, this is "the best, funniest, most inspiring" of them all, according to the Village Voice and tens of thousands of dedicated readers. Now out on the prowl with a new cover that's the cat's meow, it's ready to inspire a second wave of cats and their owners to relax into a catnap. Author and illustrator Alice M. Brock (of Arlo Guthrie's "Alice's Restaurant" fame) counsels cat owners to approach the cat quietly with palms "up and open." Beginning at the

rear, the masseur works all the way around the cat using a "vigorous kneading motion," then rubs, presses, twists, and tugs the cat into a state of complete relaxation. We are assured that a well-massaged cat may remain in a state of prolonged calm "for some time." Brock's instructions are accompanied by charming illustrations sure to inspire a mischievous chuckle in both friends and foes of felines everywhere.

About the Author Alice M. Brock is the former owner and chef of the world-famous Alice's Restaurant - immortalized both in Arlo Guthrie's song and the film by the same name. She makes her home in Provincetown, Massachusetts.
