## Discontented American's Guide to Canadian Relocation:

3 of 3 people found the following review helpful. So many rated the book as hilariously funny. It did make me smile a couple times ...By Gone CruisingSo many rated the book as hilariously funny. It did make me smile a couple times but it's certainly far from hilarious. It had some good tips for those that might be seriously considering moving to Canada but there was also some comments that if they thought he was serious would get a bad view of our country. He mentions some terms that you should never say in Canada. I've lived here all my life and hadn't heard of most of them.5 of 5 people found the following review helpful. What a fantastic read! Very clever and entertainingBy JPWhat a fantastic read! Very clever and entertaining!0 of 0 people found the following review helpful. So now you're moving to Canada?By etteA welcome handbook for those who think immigration is simple. Emigration (leaving your country of citizenship), at least from Western democracies, is far easier than immigration (moving legally into a new country). The key concept here is "legal". Other countries have a much more literal view of their immigration law than many US-born Americans imagine.

"That's it, I'm moving to Canada." It's been threatened before, but maybe this time it's for real. If you or someone you know is discontented, distressed, or downright disturbed, maybe the Great White North is right for you, eh. But how much do you really know about Canada? Can you do a job that Canada needs (do you play hockey, drill for oil, or make poutine?)? Can you identify the best Canadian province for your lifestyle (lots of tundra or just some tundra?)? Can you master the proper pronunciation of "sorry"? What strange wizardry is the Canadian government? Is maple syrup acceptable substitution for currency?At long last, How to Move to Canada can help make your vague threat into a cold Canadian reality. This book is also full of activities such as: Color the flag of your new homeland Match the strange Canuck dialect with their local definitions And more!PLEASE NOTE: This is a humor book. It won't really help you emigrate. Rather, it's a subversive mix of real information on the Great White North plus a hilarious look at all the reasons why you won't like it there any better ? and why they probably won't have you anyway.

"du Broc uses humor with his instruction, but he's sincere in what you need and what you need to know...a book to campaign for." - Bookworm SezAbout the AuthorAndré is a student at the University of Minnesota who has had a fairly wacky and wonderful life filled with varied careers to date. Actor, Musician, Teacher, Loan Officer, Circus Clown, Greeting Card Writer, Editor, Playwright, Cook, Singer, Composer, Lecturer, Activist, Fundraiser, Publisher, and Production Manager. Zinks! He loves writing for Scooby and the Mystery, Inc. gang and hopes you enjoy their camping advice.
