These women certainly know how to make you laugh and also prepare a mean meal. I am buying some as gifts for some of my girlfriends in need of happier yet less healthy and durable husbands. This book shows you that cooking can be fun, even if your husband is not...3 of 4 people found the following review helpful. Recipies to die for!By A CustomerYou'll die

laughing and kill him with kindness if you actually prepare these ethnically excellent recipies. The perfect gift for a newlywed planning ahead or for adding spice to an old relationship. Delicious humor makes cooking fun!8 of 15 people found the following review helpful. Despicable.By William G. HartwellSupposedly, this is humorous. So, if it were "How to Murder your WIFE", would the people laughing at it still be laughing?

The sensible alternative to divorce, this "killer" cookbook contains nothing but high fat, high salt, high cholesterol recipes--a guaranteed widow maker! Witty, irreverent, and utterly delicious, it's filled with real and tasty recipes for "Fettucine to Kill Alfredo", "Chili Con Carnage", "Let Him Eat Pound Cake", and much more .
