Mats, Enzo : How to Poo Your Way to the Top: Get Ahead by Using Your Behind before purchasing it in order to gage whether or not it would be worth my time, and all praised How to Poo Your Way to the Top: Get Ahead by Using Your Behind:

Just when you thought it was safe to dip your toes back in the [toilet] water, Mats Enzo are here with more essential poo-related work advice. In How to Poo Your Way to the Top, Mats and Enzo explain how to rise through the ranks by maneuvering through the real corridors of office power: the toilet. Not many people realize just how important

toilet etiquette is in the workplace: how, where, and when you poo can dictate so much more than what you weigh in on the afternoon. It can affect your promotions, others' perception of you, and all aspects of your career. Not convinced? Then you need *How to Poo Your Way to the Top* before it's too late!

About the Author: Enzo trained as an automotive engineer and has worked in engineering and marketing internationally. Enzo obtained a master's degree in marketing and has international experience in several different fields.
