Gail Parent, Susan Ende : How to Raise Your Adult Children: Because Big Kids Have Even Bigger Problems before purchasing it in order to gage whether or not it would be worth my time, and all praised How to Raise Your Adult Children: Because Big Kids Have Even Bigger Problems:

A funny and practical guide to parenting "grown" children. Today's "kids" are taking longer to move out, tend to marry later, and are baffling their parents with issues far beyond the expertise of Spock or Ferber. In this irreverent yet essential guide, a bestselling writer and a psychotherapist- both of whom have adult children-team up to provide witty and insightful advice for the millions who need help handling a range of perilous and very adult situations, including ? how to get a couch potato out of the house ? when to not pay for a child's wedding ? what to say about your kids' own parenting methods ? and much, much more
