found this book at a souvenir shop when we went to Savannah GA. We couldn't even get past the first page we were laughing so hard. He's from South Carolina and I'm from North Carolina, so we "get it!" I bought 2 copies on the spot. I was so pleased to find the book here on I got one for my girlfriend next door. I put one in my husband's Christmas stocking. I can tell when he's reading from the book because I can hear him cracking up laughing from his man cave! He laughs so hard at the sentences made from the words in the book that he can't finish a whole page!!! I get a kick out of hearing him laugh like that. Life can be tough sometimes, so when I hear him laughing like that, life is good!!!0 of 0 people found the following review helpful. Good funBy MikeBought as a gift for friends retiring to the south.
