A tongue-in-cheek guide to spotting hipsters in their natural habitat. Spotting a hipster used to be simple—a guy in his twenties who had a beard and rode a bicycle. However, over recent years the line between hipster and everyday human has blurred beyond recognition, so it's understandable if you've grown confused. Don't worry—How to Spot a Hipster is here to help. Think your best friend might be a hipster? Are they drinking from mason jars and picking up vintage vinyl on the weekends? Do they profess a love of craft beer, Fleetwood Mac, and pickles? Could you, in fact, be a hipster? From bike riding to grooming and fashion, and to all extents of the hipster lifestyle, How to Spot a Hipster is a comprehensive cornucopia of content that will ensure you never use the H-word without complete confidence.
