Corinne Caputo : How to Success!: A Writer's Guide to Fame and Fortune before purchasing it in order to gage whether or not it would be worth my time, and all praised How to Success!: A Writer's Guide to Fame and Fortune:

5 of 5 people found the following review helpful. Makes life worth livingBy David GroberWhat if all the advice you ever got about writing was wrong? What if all of that advice was in one book?!"How To Success" is nothing like any other slightly-less-than-serious "self help" guide. That's because Corinne Caputo wrote it. Just who is this Corinne Caputo, you ask? Well, it's my pleasure and privilege to call Corinne "practically family" and let me tell you -- spending an hour in the company of this charming, witty, original, insightful, and slightly absurd human being is one of those experiences that makes life worth living and laughing about. But not everyone can be as lucky as I. So your best bet is to GET CORINNE'S BOOK. You will not regret it.How to Success!: A Writer's Guide to Fame and

And also a more successful writer, and a more successful son. It's a home run!!!!3 of 3 people found the following review helpful. This book will help you to be a better righter!By SteveI'm sitting here alone in my home reading this book and laughing out loud! Every page is a riot. My dogs are beginning to get freaked out. Corinne Caputo, you're brilliant!! Seriously, this book will lighten and brighten your day!! Thanks, I needed that!

This parody self-help book for writers is filled with hilariously misguided tips, factual-looking charts, and other advice that knowingly pokes fun at writerly foibles while still cheering would-be authors on. With this book, struggling writers can find suggestions for effective paragraph shapes, tips on where to find inspiration (in your reflection, in the shapes of gum stuck to the ground, in a consultation with your doctor), thoughtful poses for author photos, pull-out procrastination excuses, and much more. *How to Success!* is filled with enough almost-helpful advice to keep aspiring writers amused, unblocked, and on their way to literary fame.

"*How To Success!* lightens the pressure many creatives put on themselves to succeed. In effect, it acts as a mirror, showing readers how silly and elusive writing-and writers-can be. Caputo offers practical advice with a comedic twist that will have you laughing out loud."-Failure MagazineAbout the AuthorCorinne Caputo is a writer and comedian who lives in New York City.
