Zan Dunga : How to Survive the A Kissers in Your Work Environment** before purchasing it in order to gage whether or not it would be worth my time, and all praised How to Survive the A** Kissers in Your Work Environment:

Do you have co-workers who seem to be suck-ups or brown-nosers and who seem to have their head so far up the boss' rear you do not know where they end and the boss begins? Yea, I've been there, seen it and had to write about it. This short book will provide you some stories and insights into a few of the a^^ kissers you may experience in your work place.
