Bob Stannard : How to Survive the Recession a Vermont Perspective before purchasing it in order to gage whether or not it would be worth my time, and all praised How to Survive the Recession a Vermont Perspective:

Is your 401-k now a 201-k? If you want to learn more about how one guy in Vermont plans to survive a recession, this is the book for you! You are holding in your hot little hands the secrets to what is truly important in life. If you think it's money, think again. Through a variety of tales, columns and adventures "How to Survive a Recession" is an

autobiographical glimpse of a Vermont life. Oh, as an extra added benefit you will also learn the meaning of life. You don't get that in just any book. That's worth the price right there.
