Now I have it and love remembering what I was doing back then...0 of 1 people found the following review helpful. Book bought on

line.By Joseph H AndersonVery good book that was bought for a guy from North Carolina Was delivered a week before I expected it..

This guide to the special words and phrases of rural New England speech is funny and frequently outrageous. Through words and pictures it is also a genuine reflection of the colorful lifestyle of the region. The outdoor flavor and directness of the Yankee tradition come to life on every page. No household should be without at least one copy.
