LOL!2 of 2 people found the following review helpful. Funny!By Not-a-RINOThis book gives the Conservative thinker ammo to use against liberals who know so much that simply isn't true. Most of it is done in a lighthearted manner and much of what the author points out could possibly make a liberal think (a definite maybe). It is a fast read and is a good gift to any conservative family member or friend who enjoys politics with a good dose of humor.
