things just by virtue of being in the room. Thanks, guys! 1 of 1 people found the following review helpful. Buck Society's trend - Be a winner for a change! By Starship This book taught me that it's OK to be a winner and break society's norm of growing up to be a loser. I hope one day to teach my children that it's OK to be a winner too and they shouldn't be ashamed of who they are, even if all of his/her friends are losers. 2 of 2 people found the following review helpful. Terrific By barf This is a very funny and very readable humor book. My friends and I enjoyed passing it around the room and laughed while reciting sections aloud ("Love," "Talking on the Phone with Your Mom," and "The Lottery" were big hits). Like a combination of John Hodgman's fake almanacs and The Worst Case Scenario Survival Handbook, the original jokes and pithy style of "How to Win at Everything: Even Things You Can't or Shouldn't Try to Win At" offer thoroughly enjoyable reading. Highly Recommended.

Nobody wants to be a loser. With this revolutionary new handbook, readers will learn how to win at literally everything\*even things that aren't contests, and that you can't or shouldn't try to win at, such as dreaming, apologizing, and talking on the phone with your mom. Crucial illustrated advice and instruction guides would-be winners through activities including bird-watching (start by spotting common species like pigeons, or dogs), job interviews (maintain eye contact: very smart people do not need to blink), and many more scenarios for success. In sharing their hard-won knowledge, the authors noted experts at this sort of thing help readers become the future winners they were meant to be.\*actually, more like dozens of things

"This charming little how-to guide by Chicago-based comedy writers Kibblesmith and Weiner makes a great gift for the clueless and unaccomplished friends in your life (let's face it, you have plenty of those!). Before you have the chance to gift-wrap it for them, it's worth thumbing through yourself." -Flavorwire About the Author Daniel Kibblesmith has written for the Onion News Network and Splitsider, produced video for Funny or Die and The Best Show on WFMU, and appeared on Bravo's Millionaire Matchmaker.
