**Hugh Myrrh : Huge Trump Facts: Exaggerated Tales of President Donald Trump That Are Really Only Kinda True** before purchasing it in order to gage whether or not it would be worth my time, and all praised Huge Trump

## Facts: Exaggerated Tales of President Donald Trump That Are Really Only Kinda True:

Donald Trump doesn't need fire extinguishers. He can fire fire itself. Donald Trump was in all the Star Wars movies, as the Star. Donald Trump owns more golf courses than even Obama has ever played. Hockey's famed Stanley Cup trophy is merely a donated dish from Donald Trump's personal kitchen. Donald Trump once made a profitable deal not to export, but to import ice to Antarctica. When you have a top celebrity run for president anything can happen. When that person is also business mogul and author Mr. Donald Trump is a large than life hyperbole is the story. In the outlandish fun tradition of Chuck Norris Facts comes Huge Trump Facts. Pass these Huge Trump Facts onto a Trump supporter or hater.
