Great wisdom and knowledge for us all.By Carell ZaehnEven if you weren't facing illness, the wisdom here is exceptional, and with some wonderful laughter along the way. Better to laugh at ourselves and our situation than not!This is so good, I'm using it as part of a class on Conscious Aging.

Humor and Healing Bernie Siegel *Humor and Healing* is Bernie Siegel's sparkling conversation about the healing power of love and laughter. From how positive experiences help us lead longer, more productive lives ... to new findings about how laughter can heal ... to miracles of spontaneous remission in "terminally ill" patients ... you will find *Humor and Healing* to be a life-affirming house-call from this respected surgeon and speaker. "If you live in your heart, magic happens." This is the essence of Dr. Bernie Siegel's powerful approach to living in the present. Includes many examples of people who have turned their lives around against all odds. Recorded at the Fifth Annual Conference of the Humor Project in Sarasota Springs, New York.

About the AuthorMD Bernie SiegalBernie Siegel, M.D., is a physician, professor, and bestselling author. Since 1962, Dr. Siegel has served as a surgeon in private practice, and is also a clinical assistant professor of surgery at Yale University Medical School. His group therapy work with Exceptional Cancer Patients over the past decade has led to new findings about the symbolic and hidden aspects of terminal illness. Some of his many publications are *Prescriptions for Living*; *How To Live Between Office Visits*; *Peace, Love and Healing*; and *Love, Medicine and Miracles*.
