**Shari MacDonald : Humor for the Holidays** before purchasing it in order to gage whether or not it would be worth my time, and all praised Humor for the Holidays:

I found some humor in it and got a laugh here and there but I think some of the stories were a bit silly. Some of the stories are heartwarming. But, I did enjoy reading it. I gave it 4 stars because of what I learned from it. It told of stories of normal people with normal holidays. I enjoyed seeing that I am not the only

one who feels stressed and that other people do have mishaps. Someone is probably not going to like a gift and that is ok. Some of the food we make will turn out bad. We don't have to do everything we think we have to. It's ok to let some things go. I learned that I am not the only one who struggles to make that perfect Christmas and the truth is that most families don't. The stories that I enjoyed the most were the ones that made me realize that a lot of people don't like baking, that relatives can drive us nuts, that toys are a pain to put together and that is all part of it. I laughed mostly at myself because I do the same things a lot of these people did. It helped me to realize to just take the whole Christmas thing lightly and do your best and don't worry about the small stuff. Most of the book is devoted to Christmas. There is a bit in the front about Thanksgiving. And at the very last pages there is a bit about New Years. It is a Christian book with verses scattered here and there, but it is not preachy at all. 0 of 0 people found the following review helpful. Uplifting and funny By CustomerGrandson liked it. 1 of 1 people found the following review helpful. laughing n loving thru the year By Kathy Bye This book was so great I order 6 more to give as gifts for friends. As I was reading to myself, I ended up reading out loud to my husband and we both laughed. Loved it so much, I'm looking forward to ordering the other "humor" books.

Celebrate the holidays with the marvelous gift of humor! Holidays can be both fun and frustrating, can't they? All the chaos that goes with the holidays can make you grin or groan. What you need for happy holidays is to have your stocking stuffed with tasty bits of humor. Imagine reaching into your stocking and finding a hilarious story by Patsy Clairmont, pulling out funny-bone ticklers by Martha Bolton, Jack Hayford, and Tim Wildmon, and discovering goodies to make you giggle by many other gifted writers. So grab a cup of wassail, curl up in your favorite chair, and indulge yourself with this heart-lifting book of holiday cheer -- it's stuffed full of special surprises to raise your spirits and add joy to your world!
