Great item - it was exactly what it said it was, came in great packaging, and I was very pleased with my purchase.7 of 8 people found the following review helpful. Blends nostalgia with his a special brand of storytellingBy Midwest Book ReviewJerry Apps is a born storyteller and an observant historian of rural life in Wisconsin, past and present. In *Humor From The Country*, Apps has collected a wealth of anecdotes and stories celebrating the lighter side of country life. With stories based upon childhood memories, Apps reveals that country folk always knew how to have fun between their chores. Blending nostalgia with his own special brand of storytelling, Jerry Apps's *Humor From The Country* is a "must" for anyone who enjoys a trip down memory lane with a truly gifted guide.

Life during the early to middle twentieth century is often viewed as a time of backbreaking work for meager returns. Often, the strength and resiliency of family and neighbors is overlooked. Through stories based on childhood memories, master storyteller Jerry Apps gives us insights into the lighter side of country life.

About the AuthorA professor emeritus of agriculture at the University of Wisconsin–Madison, author Jerry Apps has written more than 35 books, many of them on rural history and country life. Recent titles include "Every Farm Tells a Story" and "When Chores Were Done." His writing has earned awards from the State Historical Society of Wisconsin, the Wisconsin Library Association, and Barnes and Noble Booksellers, among others.
