**Edward Tuckerman Mason : Humorous masterpieces from American literature (Vol-1)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Humorous masterpieces from American literature (Vol-1):

1 of 1 people found the following review helpful. Don't recommend itBy Ralph C. BoyerThey appear to be incredibly dull and lacking in simple humor. Humorous masterpieces are frequently un-humorous to me. Maybe I'm just not

sophisticated enough for this kind of nonsense. There may be some humorous pieces in this little book but I could only take about three of them before I gave up on it. I may eventually find more humor in later pieces if I get bored with whatever else I have to read and try more. Not now.0 of 0 people found the following review helpful. I love old classics (they're my preference) but these masterpieces are ...By CREI'm sure that at the time it was published someone or other laughed. I love old classics (they're my preference) but these masterpieces are just old.10 of 11 people found the following review helpful. The price is right and there is good humorBy EWebbI will never try to say that I know what, or what isn't, someone else's idea of funny or humorous is. That being said if you find the first story in the preview pages humorous, as I did, then you'll like some of the other stories. If not go on to something else. Like other collections of this sort it is a mixed bag but overall it is humor from a different time and perspective that translated for me. If nothing else this is a freebie which is a good thing even if you don't end up liking it

This book was digitized and reprinted from the collections of the University of California Libraries. It was produced from digital images created through the libraries' mass digitization efforts. The digital images were cleaned and prepared for printing through automated processes. Despite the cleaning process, occasional flaws may still be present that were part of the original work itself, or introduced during digitization. This book and hundreds of thousands of others can be found online in the HathiTrust Digital Library at [www.hathitrust.org](http://www.hathitrust.org).
