Katie Kirby : Hurrah for Gin: A book for perfectly imperfect parents before purchasing it in order to gage whether or not it would be worth my time, and all praised Hurrah for Gin: A book for perfectly imperfect parents:

The perfect gift for Mother's Day, this book is not a how-to-guide. It won't tell you how to get your baby to sleep, how to deal with toddler tantrums, how to be a good parent, a cool parent or even a renegade parent. It is a book about parenting that contains absolutely no useful advice whatsoever. Instead it shares beautifully honest anecdotes and illustrations from the parenting frontline that demonstrate it is perfectly possible to love your children with the whole

of your heart whilst finding them incredibly irritating at the same time. From pregnancy to starting school, Hurrah For Gin takes you through the exciting, frustrating, infuriating and wonderful whirlwind of parenthood, offering solidarity and a friendly hug after a tough day. Best served with gin.
