Brian Boone : Hysterical Jokes for Minecrafters: Blocks, Boxes, Blasts, and Blow-Outs before purchasing it in order to gage whether or not it would be worth my time, and all praised Hysterical Jokes for Minecrafters: Blocks, Boxes, Blasts, and Blow-Outs:

1 of 1 people found the following review helpful. Not Minecraft themed. Our son was disappointed.By Amanda K.Hysterical Jokes for Minecrafters? No, not really. Most of the jokes were a generic collection of terrible common jokes. It's as if someone just scanned through a few joke pages with Google and slapped "Minecraft" in the title to make a buck. Our little kiddo thumbed through a few pages and read some out loud to us. But even he commented, "I

could just find these jokes anywhere."

This adventure series is created especially for readers who love the fight of good vs. evil, magical academies like Hogwarts in the Harry Potter saga, and games like Minecraft, Terraria, and Pokemon GO. *Hysterical Jokes for Minecrafters: Blocks, Boxes, Blasts, and Blow-outs* is the third book in the *Jokes for Minecrafters* series, which includes more than 800 hysterical jokes. These clever puns and silly one-liners poke fun at everything Minecraft, from creepers and ghasts to golems and endermen. These side-splitters will have any Minecrafter rolling over with laughter! Inside you will find hysterical gut-busters such as: Q: How do Creepers listen to music? A: On a boombox. Q: How do you feel if you see a floating mob overhead? A: A-ghast! This joke book for kids ages 5 and up comes complete with silly illustrations to make these jokes even funnier. Whether you're at home or school, you can have all your friends and family in stitches over these hilarious Minecraft jokes!

About the Author Brian Boone is the author of *I Love Rock n' Roll (Except When I Hate It)* and many other books about everything from inventions to paper airplanes to magic to TV. He's written jokes for a lot of funny websites and he lives in Oregon with his family.
