Would of seen it was a grown up children's style of book. After reading it though it was very good and entertaining. Well worth the purchase. 1 of 1 people found the following review helpful. "The sad thing is, I like it" - Maurice Sendak "The perfect gift to give a child or grandchild for their high school or college graduation. Also Father's Day. Also, other times." - Stephen Colbert

About the Author Stephen Colbert was The Daily Show's longest-running and most diverse correspondent. His personality, insight and overall rightness could only lead to The Colbert Report, a half-hour nightly platform for him to give his take on the issues of the day, and, more importantly, to tell you why everyone else's take is just plain wrong. The show has been hugely successful.
