Smart, laugh-out-loud-funny, perfect gift for anyone planning a wedding!By Daniel M ScovillI AM BRIDE pokes witty, light-hearted fun at the insane phenomenon that is wedding planning in this day-and-age. I laughed out loud multiple times while reading this book. This book would be great if you're just looking for a humorous read, and would make the perfect gift for a bride-to-be, bridesmaid, mother of the

bride, or really anyone who has ever been involved in a wedding in any respect. Enjoy!- Rachel (former bride, maid of honor, and 5-time-bridesmaid)1 of 1 people found the following review helpful. Laura Willcox has managed to write the perfect satirical take on wedding planningBy mjb3523Ladies. Gents. Soon to be Mothers in Laws AND recently obtained Maids of Honor... THIS IS THE BOOK YOU HAVE TO GIVE YOUR FUTURE BRIDE. Laura Willcox has managed to write the perfect satirical take on wedding planning. From cover to cover I promise your bride will laugh out loud, cringe, back to laughing and maybe even take some notes.. ;) This book finds a way to make fun and light of what could be a stressful time for our Bride to Be.. what better gift to give than something like this book?! With that being said I've given this book to 7 of my brides.. and counting. ;) highly recommend this gem2 of 2 people found the following review helpful. Most hilarious ever!By Cindy DavidowitzThis was an incredibly witty and hilarious read. Laura Willcox writes from the perspective of a nutty wedding planner and does it with the utmost perfection. I love the Highlights-esque distractions for the groom, the insane checklist at the end, and the What Bride Are You? flowchart. Highly recommend this as a bridal shower or engagement gift for a soon to be bride. She is going love it (and laugh out loud)!

The first book from Upright Citizens Brigade comedian Laura Willcox, *I AM BRIDE* is a hysterical spoof of all the lavish, ridiculous, and stressful things a bride deals with when planning her **BIG DAY**. **As seen on *The New Yorker SHOUTS* and *Refinery29!*** In this bridal gag gift, Laura Willcox writes in the voice of an overbearing, outrageous wedding planner, covering all aspects of a wedding—from the moment of engagement (hopefully with the ring you've been not so subtly emailing him about for months), all the way through the final minutes of the big day. Accompanied by Jason O'Malley's humorous illustrations, Willcox offers tongue-in-cheek advice for every wedding-planning moment, whether it's dreaming up the perfect wedding-weekend hashtag, planning a gift registry to make everyone jealous of your fabulous lifestyle, or figuring out how to distance yourself from the poor, unfortunate souls who didn't make the cut for your guest list. Laura Willcox's refreshing take on all things bride will turn tradition on its head, and have you rolling your eyes and reading passages out loud to your engaged (and married) friends. This funny book is a perfect gift for the friend who can't stop pinning to her dream wedding board, bridezilla-to-be, or any bride who would benefit from a much-needed break from the stress and madness of wedding planning.

“While *I AM BRIDE* may be the first and only bridal preparation guide I've ever read, it is hands down the best. If I could travel back in time to 2006 when I proposed to my future wife, I would bring *I AM BRIDE* back with me and give it to her along with the engagement ring. Unfortunately, the consensus of the physics community is that time travel will never be possible. I have looked into it, and apparently the science on the matter is very sound. The point is, it's a great book.”
