A perfect calendar featuring the perfect animal By One Broken Shoelace I've had dogs since I was an adorable zygote myself - ALL RESCUE DOGS EVERYONE ALL RESCUE DOGS - and I try to stay away from doggie things written or produced to jerk as many tears as possible. No thanks .But we all needed a calendar in the kitchen - not gigantic, but not small; funny but not lame; pretty but not 12 pictures of Fi-Fis in tu-tus. Oh, also - didn't want a lot of poop and bad breath references. I have a husband, 2 kids, and 2 dogs - one who is as big as a Buick, I no longer laugh at poop or bad breath references (unless they're really funny) (and the calendar was going to be in the kitchen) So meet "I could Chew on this 2017 Wall Calendar". It's lovely to look at, medium in size, the poems are surprisingly funny, and they aren't all about poor and bad breath and even those are funny and the pictures are adorable. This is a perfect calendar. 0 of 0 people found the following review helpful. Dog calendar By TRd Really cute calendar. I needed one for my job. 0 of 0 people found the following review helpful. Five Stars By Rachel D. just awesome!

Dog lovers will delight at this calendar, which features selections from I Could Chew on This in addition to six brand-

new poems for a year's worth of lovable canine humor, advice, and good-natured silliness.
