I love this calendar because it's high quality and has spaces large enough to write reminders or appointments. The notes from Kitty are hilarious every month! Stuff that only cat lovers understand. Update: I put it on my kitchen table to mark dates on it. Next morning... 1 of our 5 DID pee on it. Unbelievable! 0 of 0 people found the following review helpful. Cute, clever and adorable! Looks sleek and professional too! By Alexandra Meehan ABSOUKLTLY ADORABLE! I am a published poet, and these little poems are adorable and make me laugh! I love this calendar! Every month is a new, adorable cat with a cute poem-- plus the calendar doesn't look cheesy. The calendar is standard with all of the room you need, is thick and glossy (nice) and arrived fast. While it's a little late into 2017, if you still need a calendar, and you like cats/clever poems, this is for you! I would attach images with the poems but that ruins it! 1 of 1 people found the following review helpful. Fun calendar. By Tami D. Cowden Perfect for my office at work.

A witty mix of poems from the bestselling I Could Pee on This—paired with six entirely new ones—offer a year's

worth of witty observations from funny felines.
