Johnny Hart : I Did It His Way: A Collection of Classic B.C. Religious Comic Strips before purchasing it in order to gage whether or not it would be worth my time, and all praised I Did It His Way: A Collection of Classic B.C. Religious Comic Strips:

1 of 1 people found the following review helpful. you will have a delightful time and good deal to reflect onBy W. WilliamsThe way that it is set to be read on an iPad it is hard to read and the pages of each subject section runs into the next one. A little work of editing would make this a grand book to be read. Now, as far as the content, it is superb and reflects more about Johnny Hart than some realize. If you can get past the small print in some parts, you will have a delightful time and good deal to reflect on.1 of 1 people found the following review helpful. I loved the selection of the BC cartoonsBy Iowa FarmerMy book came with the cover upside down, but since it was for myself and not a gift, that was not an issue. I loved the selection of the BC cartoons. I added a topical index to my copy... would have been nice to have one built in.0 of 0 people found the following review helpful. Johnny Hart. Genius.By A. JohansonExcellent!

A side-splitting collection of comic strips from one of the most popular cartoonists in history! Legendary cartoonist, Johnny Hart, created two of the most popular comic strips in history: B.C. and Wizard of Id. When he became a Christian in 1984, Johnny turned his trademark wit and humor to matters of faith. Johnny passed away the day before

Easter 2007 while at his drawing board. “This book is a dream that Johnny and I shared,” says his wife, Bobby. “I knew I had to finish our dream.”

About the Author Johnny Hart was an award-winning cartoonist who is best known for his comic strip 'B.C.', about humorous life in the stone age which started its run in newspapers in February 1958. He worked on this comic strip up until the day he died in April 2007, AD.
