Drunk Doodles : I Drank To Much Poems Coloring Book before purchasing it in order to gage whether or not it would be worth my time, and all praised I Drank To Much Poems Coloring Book:

Drink to much? Get drunk a lot and think its a great idea to draw on napkins and write some poems. Lets face it, don't take life to seriously. These funny, stupid, drunk, swear words, coloring book with well stupid, funny, swear words for poems will maybe put a smile on your face. IF not get drunk and try to color or read the poems without laughing. Only if it is legal of course. Just have good time and color some drunk doodles.
