4 of 4 people found the following review helpful. AwesomeBy Kindle CustomerThis book is so great to have around the house. The illustrator creativity is awesome, and she makes drawing on these cats so fun!It also is a great conversation piece. The book looks so good that we have it on the coffe table2 of 2 people found the following review helpful. Creative and adorable! We all know that cats are thinkingBy highwayCreative and adorable! We all know that cats are thinking, but what is it they thinking about? Each have a secret world, and dreams, like many of us mere humans. Here's the answer, and best of all, I like that we get to participate! A great gift idea, and also wonderful as an activity to share with others, and suitable for the whole family.1 of 1 people found the following review helpful. Calling all cat fans!By saleagoMy son absolutely loved this book. I really did too! If you are a cat fan you should really check it out.

Since the dawn of time, humans have looked into the enigmatic faces of cats and wondered who are you? In this collection of connect-the-dots adventures, expert illustrator and cat motive decoder A. R. Coffelt takes us into the

secret worlds of our feline friends— complete the puzzles and solve the mystery of what each adorable cat is really up to!
