**George Fuller : I Golf, Therefore I Am--Nuts!** before purchasing it in order to gage whether or not it would be worth my time, and all praised I Golf, Therefore I Am--Nuts!:

0 of 1 people found the following review helpful. Funny stories do not overcome the writing style or the lack of focus.By D. H. NobleI bought this book on the Kindle because I wanted a book that I could laugh myself to sleep at night.The first thing that caught me is that the kindle edition is poorly edited. Every chapter, it would repeat lines from earlier paragraphs. That was annoying.Now for the story. I know this is a humor book but I feel that the book was poorly organized. The chapter headings did not always reflect the content in that chapter and in a few chapters, they

had little to do with golf. The book started with the author starting to golf and shooting high scores. Then it would go to 80s then back to 120s then 90s and then it would seem to ignore the scores altogether. It would have been funnier if the story about shooting the 120 did not come right after shooting an 80 average for a year to win money from a friend. A personal pet peeve is that an amateur golfer writes a book or article to seemingly be similar to most golfers like myself who struggle with learning the game, but turns out to be the guy that only pays for 1 in 10 golf outings, gets all the free golf equipment, and gets to play the best courses because he is in the golf world. Give me a break. Now, there are few funny stories. Not nearly enough to overcome the poor writing. I would say that if you put all the funny stories in one place, then you would have maybe a 10 page book. I would not recommend this book unless there are no others. 0 of 0 people found the following review helpful. Fantastic and the cartoons were great. By JagMy wife bought this book mainly because she is an artist and my classmate did the cartoons. After reading the book and looking at all the cartoons, we passed it along to our brother-in-law that is a golfer. I believe any golfer would enjoy both the text and the cartoons in this book. 0 of 0 people found the following review helpful. It's amusing but not "split your sides laughing." By Pushing 70As an aging wanna-be golfer, I'll read anything that allows me to laugh at myself and others and their problems on the course. This book definitely offers the few chuckles but written from the perspective of someone who makes their living playing on fabulous courses to then write about them, I couldn't really identify with all of the inside jokes about playing in pro-ams. Most of us seldom, if ever, get that chance, so it was a little out-of-touch to include so many of those stories. There's nothing wrong with the book, but a little elitist for me.

Finally, a book that delves into the warped and obsessive mind of today's golfer. Whether your idea of golf is an occasional round with fellow duffers at the local muni or frequent forays to far-flung courses in search of the perfect round, you'll identify with this book like no other. Popular golf humorist George Fuller will have you laughing as he makes light of the idiosyncrasies of otherwise sane people who are addicted to this holy, wholly frustrating game. *I Golf, Therefore I Am--Nuts!* brings out the humor in situations that all golfers can relate to: Looking for Mulligan, the patron saint of forgiveness. The hype architects and developers use when describing a new course. Quirks, quips, and superstitions from the PGA Tour. If your eyes light up every time you read about a new driver, your TiVo has golf programming that originally aired in 2004, you receive holiday cards from greenskeepers, or your golf wardrobe doubles as business casual, then *I Golf, Therefore I Am--Nuts!* is for you.

"For those of us who spend time in that place called golf hell, this is a wonderful respite--a cool, refreshing vacation." Craig T. Nelson Actor, Star of *Coach* "Congratulations! Every golfer should have this book and have a good old laugh! I love the style and laughed out loud on a flight as I was reading it. Everyone thought I was a lunatic! I love it!" Malcolm McDowell Actor and golf fanatic From the Publisher "For those of us who spend time in that place called golf hell, this is a wonderful respite--a cool, refreshing vacation." Craig T. Nelson Actor, Star of *Coach* "Congratulations! Every golfer should have this book and have a good old laugh! I love the style and laughed out loud on a flight as I was reading it. Everyone thought I was a lunatic! I love it!" Malcolm McDowell Actor and golf fanatic About the Author George Fuller is publisher and editor in chief of *Tee It Up* magazine (geared to golfers in Southern California) and partner in a nationally syndicated radio show of the same name. He has been in the publishing business specializing in travel and golf for more than 15 years and has been a professional writer for more than 20 years, using his humor to add a perspective that has proven popular with his readers. Fuller has authored eight books; the most recent two are *California Golf: The Complete Guide* and *Discover Hawaii's Best Golf*. He also has an online following, serving as the regular golf travel correspondent for CBS Sportsline. Former editor in chief of *Links-The Best of Golf* magazine and founder of *Golf Living* magazine, Fuller has contributed to many respected newspapers and magazines, including *Robb Report*, the *Wall Street Journal*, *San Francisco Chronicle*, the *Los Angeles Times*, *Time* magazine, *Golf* magazine, *Travel Leisure Golf*, *Links-The Best of Golf* magazine, and *Coastal Living*. Fuller resides in Culver City, California.
